

TO: ALL OMAK STAMPEDE VENDORS

FROM: WEINSTEIN BEVERAGE-PEPSI COLA

SUBJECT: PRODUCT ORDERING & COOLERS

DATE: January 1, 2019

Weinstein Beverage-Pepsi Cola would like to welcome all vendors to the 2019 Omak Stampede. To eliminate any confusion regarding product ordering we have listed below the procedure that will be used to accommodate all your vending needs.

We will deliver product to you only once per day. Around 9am each morning a representative of Weinstein Beverage-Pepsi Cola will go around to the vendors and take orders for product. Many vendors choose to have us order for them and therefore need not be present. If you choose to do your own ordering you must post a list in a visible location or have someone present to place the order. After orders have been taken we will deliver the product that same morning.

If you run out of product we will **not** make a special delivery for you. However, you can come to our warehouse and pick up the extra product yourself. We strongly encourage the vendors to let us order for you to avoid this predicament. It is extremely important to understand that bills are not settled until Sunday evening. Any product you have not used may be returned to us at no charge to you.

With regards to use of our equipment, we will only provide 1-door coolers to the vendors. These refrigerated coolers must be used for our product only. The coolers are on a first come first serve basis.

Finally, remember that the Omak Stampede is an **exclusive event** and **all beverage products must be purchased from Weinstein Beverage-Pepsi Cola. This year the event will again be bottle package exclusive. Can soft drinks will not be sold on the grounds.** We wish you a successful and fun-filled weekend in Omak.
